Your project and reflection sheet

Make: An accessible interactive website

1. Write the question your project should answer.

Notes: _____

2. Make a first draft. Record one decision you made and why.

Notes: _____

3. Ask for specific feedback. What works? What could be clearer?

Notes: _____

4. Make one revision and compare the result with your learning goal.

Notes: _____

Completion means attempting the project and reviewing it against the course outcomes. It does not imply professional accreditation.
