Type at scale: setting long documents

The course at a glance

5 lessons | 90 minutes | Advanced | Self-paced

Your instructor: Tomas Rivera

Who this is for: Practising professionals ready to sharpen an existing skill through a focused project.

The project: A carefully typeset publication

What you will practise:

1. Grids

2. Hierarchies

3. Print to screen

What to bring:

A laptop and a browser

Some practical experience with the subject

Time to practise and share a project

This is a demonstration syllabus. Prices, learner statistics and enrolment are illustrative.

Type at scale: setting long documents

The curriculum

Understand the foundations

- Find your starting point (18 min)

- Explore: grids (18 min)

Put it into practice

- Explore: hierarchies (18 min)

- Explore: print to screen (18 min)

Make it your own

- A guided worked example (18 min)

Type at scale: setting long documents

Your project and reflection sheet

Make: A carefully typeset publication

1. Write the question your project should answer.

Notes: _____

2. Make a first draft. Record one decision you made and why.

Notes: _____

3. Ask for specific feedback. What works? What could be clearer?

Notes: _____

4. Make one revision and compare the result with your learning goal.

Notes: _____

Completion means attempting the project and reviewing it against the course outcomes. It does not imply professional accreditation.
